Controlled Product Profile/ PPWR EU Declaration/Certifications/Insurance.

SKU A: 17 L few-item bag

Product: PLA compostable checkout bag, 17 L

SKU: MUPLA-SBT17L-M

Average wall thickness: 22 µm, as supplied by importer

Carrier-bag category: Lightweight plastic carrier bag, wall thickness below 50 µm.

Preferred load: 2-5 kg

Maximum tested/working load: Approximately 8 kg

Intended service: A few-item shopping bag. Reuse tested for 13 shopping trips.

Material: PBAT + PLA + Mylum

Certificate trademark: Orizon bag

Colour/printing: Current production: green or white bag film with black water-based printing. TÜV certificate scope permits various colours and coloured printing.

Compostability: TÜV OK compost HOME and TÜV OK compost INDUSTRIAL

Food-contact status: Checkout carrier bag.

Disposal wording supplied for Finland: May be placed in mixed-waste or biowaste collection, subject to local waste-operator instructions

Bag artwork: OK compost HOME and OK compost INDUSTRIAL marks with mixed-waste and biowaste wording

SKU B: 40-45 L repeated-use bag

Product: PLA compostable carrier bag, 40-45 L

SKU: MUPLA-SBT45L-M

Average wall thickness: 45 µm, as supplied by importer

Carrier-bag category: Lightweight plastic carrier bag, wall thickness below 50 µm.

Working load: 8 kg

Intended service: Durable repeated use with 8 kg, tested for 25 shopping trips, the bag remained intact.

Commercial nickname: “Family Bag”

Material: PBAT + PLA + Mylum

Certificate trademark: Orizon bag

Colour/printing: Current production: green or white bag film with black water-based printing. TÜV certificate scope permits various colours and coloured printing.

Compostability: TÜV OK compost HOME and TÜV OK compost INDUSTRIAL

Food-contact status: Checkout carrier bag.

Disposal wording supplied for Finland: May be placed in mixed-waste or biowaste collection, subject to local waste-operator instructions

Bag artwork: OK compost HOME and OK compost INDUSTRIAL marks; mixed-waste and biowaste wording; “Use many times” / repeated-use statement

Conformity statement

The manufacturer declares that the products conform to the applicable requirements of Regulation (EU) 2025/40, including Articles 5 to 12 at their applicable dates, and that series production remains controlled.

- Substances of concern are minimised.
- Combined Pb, Cd, Hg and Cr (VI) does not exceed 100 mg/kg.
- Material composition and carrier-bag classification are documented.
- Compostability claims remain within certificate scope.
- End-of-life wording is used only where locally accepted.
- Recycled-content applicability is assessed without treating biobased content as recycled content.
- Weight and volume are minimised while performance is maintained.
- Environmental claims and logo use are technically supported.

Conformity procedure: Annex VII, Module A, Internal Production Control
Technical file: MUORZ-PPWR-TF-001
Notified body: Not applicable under Module A
TÜV HOME evidence: TA8022004818; max 63 µm; valid to 30 July 2030
TÜV INDUSTRIAL evidence: TA8012004817; max 78 µm; EN 13432:2000; valid to 30 July 2030
Optional FDA evidence: SGS TAOHG2103675801 retained as supplementary material-characterization evidence only; not relied upon for the selected intended use or EU compliance route.
Heavy metals / PFAS / composition / minimisation reports:
Heavy metals SGS CANPC25008827901 Heavy metals migration/content testing Raw Material
PFAS: Manufacturer no-intentionally-added declaration applies to polymers, starch/Mylum, additives, masterbatch, pigments, processing aids and inks. Supplier declarations SUP-BIOMATERIAL-01 (13 October 2026) and SUP-INK-01 (14 October 2026) are retained and verified. TÜV compostability certificates are not PFAS test evidence.
Composition Certified formulation. 75/5/20 = nominal C200 compound. 72.6/4.8/18.6/3.5/0.5 = finished printed-bag mass balance (See Section 2.2)
Minimisation evidence: Section 2.11 and Annex A importer-controlled field-use assessment.

TUV Home and Industrial Certificates

CERTIFICATE FOR AWARDING AND USE OF THE 'OK COMPOST HOME' CONFORMITY MARK

(Prolongs the certificate dated 30 July 2020)
Issued by TÜV AUSTRIA GMBH

Product(s):
Domain: Home Compostable Products
Group: Finished Products
Family: Bags / Sack trade
Type: Bags for collection of biodegradable refuse
Trade mark: Shopping bags (check-out bags)
Description / Particularities: Orizon bag
Maximum nominal thickness: 63 µm
Colour: various
Coloured printing

Licensee:
CHINA

Criteria: • Certification Scheme with reference OK 02 edition D "Home compostability of products"

Validity: From 30 July 2025 till 30 July 2030

Conclusions of the examination: The products comply with the above mentioned certification criteria, as confirmed by the report no 65002921-2025-AF-0380cert.

Applicable certification system: Type examination followed by supervision through verification tests on samples from the distributor's stocks or of the market.
The conformity of the product is guaranteed by the procedures for awarding and use of the 'OK compost HOME' conformity mark. This only applies for specimen bearing the 'OK compost HOME' mark.
